Gateway to Federal Opportunities

FedConnect is an online marketplace where federal agencies post opportunities and make awards via the web. Any vendor can view public postings without registering. However, registered users have numerous added benefits including the ability to electronically submit responses to the government directly through this site.

Register as a Vendor

Becoming a registered FedConnect vendor is fast, free and gives you the ability to review, respond and communicate electronically with federal agencies.

If you submitted a registration request and are awaiting activation of your account, [click here to check the status.](#)
