Based on my review of the information concerning the proposed action, as NEPA Compliance Officer (authorized under DOE Policy 401.1), I have made the following determination:

CX, EA, ES APPENDIX AND NUMBER:

Information gathering, analysis, and dissemination

The proposed action (or the part of the proposal defined in the Rationale above) fits within a class of actions that is listed in 10 CFR Part 1021, Subpart B. It may include categorically excluded waste storage, disposal, recovery, or treatment actions or facilities; (3) disturb or major expansion of waste storage, disposal, recovery, or treatment facilities (including incinerators), but the proposal may include categorically excluded waste storage, disposal, recovery, or treatment actions or facilities; (3) disturb

The NEPA Determination applies to the following Topic Areas, Budget Periods, and/or tasks:

Covered actions include building renovative or new structures, which they occur in previously disturbed or developed area. Covered actions could involve commercial, residential, agricultural, institutional, or industrial projects. Covered actions do not include new buildings, standard settings, or proposed DOE legislation, except for those actions listed in B5.1(b) of this appendix. Covered actions include

The installation, modification, operation, and removal of electric vehicle charging stations, using commercially available technology, within a previously disturbed or developed area. Covered actions are limited to areas where access and parking are in accordance with applicable requirements (such as local land-use and zoning requirements) in the proposed project area, and would incorporate appropriate control technologies and best management practices.

Rationale for determination:

NEPA PROVISION

DOE has made a conditional NEPA determination.

The NEPA Determination applies to the following Topic Areas, Budget Periods, and/or tasks:

Covered actions are limited to areas contiguous to a previously disturbed or developed area.

This project number and recipient have previously received a CX on previous work, this new CX has been signed due to the recipient adding additional project locations. The control number reflects the prime recipient has received multiple NEPA determinations. As noted by the NEPA Control Number NETL-0000205-00, this is the forty-fifth CX associated with the initial award.

FOR CATEGORICAL EXCLUSION DETERMINATIONS

The proposed action (or the part of the proposal defined in the Rationale above) fits within a class of actions that is listed in Appendix A or B to 10 CFR Part 1021, Subpart D. To fit within the classes of actions listed in 10 CFR Part 1021, Subpart D, Appendix B, the proposed action must be one that would not (1) threaten a violation of applicable statutory, regulatory, or permit requirement; or result in significant impacts on the environment, safety, and health; or similar requirements of DOE or Executive Orders; (2) require siting and construction or major expansion of waste storage, disposal, recovery, or treatment facilities (including incinerators), but the proposal may include categorically excluded waste storage, disposal, recovery, or treatment actions or facilities; (3) disturb or major expansion of waste storage, disposal, recovery, or treatment facilities (including incinerators), but the proposal may include categorically excluded waste storage, disposal, recovery, or treatment actions or facilities; (4) disturb

There are no extraordinary circumstances related to the proposed action that may affect the significance of the environmental effects of the proposal.

This project number and recipient have previously received a CX on previous work, this new CX has been signed due to the recipient adding additional project locations.
