

DISCLAIMER

By submitting an UPGrants Manufacturer LCA Submission Form, the submitter consents to the publication of the above-referenced contact and product information (*i.e.*, those items marked with an asterisk) on the UPGrants vendor page (if the LCA satisfactorily completes a critical review). By enabling and publishing the contact and product information, DOE is not endorsing, sponsoring, or otherwise evaluating the qualifications of the individuals/organizations that may appear on the UPGrants vendor page. DOE will not pay for the provision of any information, nor will it compensate any submitters for the development of such information.

The information that the submitter is voluntarily providing to DOE may be used by any DOE office and not just the Office of Fossil Energy and Carbon Management (FECM) / National Energy Technology Laboratory (NETL). By voluntarily submitting the information, the submitter is acknowledging that any DOE office may be provided with the information. The voluntarily provided information will only be used under the terms by which the submitter provided the information.

This is not a Funding Opportunity Announcement (FOA). DOE is not accepting FOA applications at this time. DOE will not reimburse any of submitters' costs in preparing an LCA submission. An LCA submission does not provide any advantage or disadvantage to potential FOA applicants if DOE chooses to issue a FOA regarding the subject matter.

FREEDOM OF INFORMATION ACT:

LCA submissions received are subject to public disclosure under the Freedom of Information Act (FOIA). **If submitters include any information in their submissions that might be considered business sensitive (e.g., commercial or financial information that is privileged or confidential), trade secrets, proprietary, or otherwise confidential, the submissions must be marked in accordance with this section.**

Failure to comply with these marking requirements may result in the disclosure of the unmarked information under the FOIA or otherwise. DOE is not liable for the disclosure or use of unmarked information and may use or disclose such information for any purpose.

If a submitter chooses to provide business sensitive, trade secrets, proprietary, or otherwise confidential information, the submitter must include a cover sheet marked as follows identifying the specific pages containing business sensitive, trade secrets, proprietary, or otherwise confidential information:

Notice of Restriction on Disclosure and Use of Data: Pages [List Applicable Pages] of this response may contain business sensitive, trade secrets, proprietary, or otherwise confidential information that is exempt from public disclosure. Such information shall be used or disclosed only for the purposes described. The

DRAFT – PREDECISIONAL – DELIBERATIVE

Government may use or disclose any information that is not appropriately marked or otherwise restricted, regardless of source.

In addition, (1) the header and footer of every page that contains business sensitive, trade secrets, proprietary, or otherwise confidential information must be marked as follows: “Contains Business Sensitive, Trade Secrets, Proprietary, or Otherwise Confidential Information Exempt from Public Disclosure” and (2) every line and paragraph containing such information must be clearly marked with double brackets or highlighting. DOE will make its own determination about the confidential status of the information and treat it according to its determination.

EVALUATION AND ADMINISTRATION BY FEDERAL AND NON-FEDERAL PERSONNEL:

Federal employees are subject to the non-disclosure requirements of a criminal statute, the Trade Secrets Act, 18 USC 1905. DOE may seek the advice of qualified non-Federal personnel. DOE may also use non-Federal personnel to conduct routine, nondiscretionary administrative activities. The submitters, by making a submission, consent to DOE providing their response to non-Federal parties. Non-Federal parties given access to submissions must be subject to an appropriate obligation of confidentiality prior to being given the access. Submissions may be reviewed by support contractors and private consultants.
