

PROJECT DESCRIPTION AND ASSURANCES DOCUMENT (PDAD)

Project title: Automation and Topology Advancements in America's Most Forested State

Applicant Name: Central Maine Power Company

Applicant Address: 83 Edison Drive, Augusta, Maine, 04336

Names of all team member organizations (if applicable): Electricore, Inc.

Principal Investigator: Philip Gagnon

Business Point of Contact: Kimberly Cullen

Include any statements regarding confidentiality: None

Federal Share: Redacted

Cost Share: Redacted

Total Estimated Project Cost: Redacted

Item 1: Specify (mark with "X") the FOA Topic Area and as applicable the Area of Interest (AOI):

_____Topic Area 1: **Grid Resilience Grants** (BIL section 40101(c))

X_____Topic Area 2: **Smart Grid Grants** (BIL section 40107)

_____Topic Area 3: **Grid Innovation Program** (BIL section 40103(b)) –
Area of Interest 1 (**Transmission** System
Applications)

_____Topic Area 3: **Grid Innovation Program** (BIL section 40103(b)) –
Area of Interest 2 (**Distribution** System
Applications)

_____Topic Area 3: **Grid Innovation Program** (BIL section 40103(b)) –
Area of Interest 3 (**Combination** System
Applications)

TOPIC AREA 1 Specific Items:

Item 2: Specify (mark with "X") the entity type of the applicant organization:

_____electric grid operator

_____electricity storage operator

_____electricity generator

_____transmission owner or operator

_____distribution provider

_____fuel supplier

If further description is needed for the specified entity type, please provide below:

Central Maine Power Company (CMP) is an electric grid operator, transmission owner/operator and distribution provider to one million people in central southern and western Maine, delivering more than 9 GWh of electricity per year. Service is provided across 2,919 miles of transmission lines, 23,734 miles of distribution lines and across 205 substations. A domestic entity, CMP is incorporated in the state of Maine and maintains a physical headquarters in Augusta, ME.

Item 3: Please provide the total amount (USD) of qualifying resilience investments (as outlined in DE-FOA-00002740) that has been spent for the previous 3 years. Please also provide the time period utilized for calculation of this amount.

Total Amount: Redacted

Time Period for Resilience Investments: 2020/2021/2022

Note: Topic Area 1 applicants must submit as part of their application, a report detailing past, current, and future efforts by the eligible entity to reduce the likelihood and consequences of disruptive events. This report should include efforts over at least the previous 3 years and at least the next 3 years and any broader resilience strategy used by the applicant.

Item 4: Is the eligible entity a Small Utility as defined in DE-FOA-0002740 (sells no more than 4,000,000 MWh of electricity per year)? If NO is selected, skip to Item 7.

_____Yes

X _____No

Note: If YES, applicant must provide their Form 861 for the last reporting year submitted to the Energy Information Administration (EIA).

Item 5: Per BIL section 40101(e)(2) (C) APPLICATION LIMITATIONS.—An eligible entity may not submit an application for a grant provided by the Secretary under subsection (c) and a grant provided by a State or Indian Tribe pursuant to subsection (d) during the same application cycle.

Therefore, is the eligible entity a Subaward/Subcontract recipient for an application submitted under IIJA Section 40101(d), ALRD 2736? If “YES”, please describe the differences between the GRIP FOA 2740 application [40101(c)] and the ALRD 2736 [40101(d)] applications in the box below:

_____ Yes

X _____ No

TOPIC AREA 2 Specific

No items

TOPIC AREA 3 Specific

No items

Item 6: Specify (mark with “X”) the entity type of the applicant organization:

_____ a State

_____ a combination of 2 or more States

_____ an Indian Tribe

_____ a unit of local government

_____ a public utility commission

If further description is needed for the specified entity type, please provide below:

--

Item 7:

Authorized Organizational Representative (AOR): please provide name, address, phone number and e- mail address for the authorized agent to bind the entity

Authorized Organizational

Representative (AOR): Name:

Philip Gagnon, PE, PMP,

Director - Distribution Line

Projects

Address: 83 Edison Drive, Augusta, Maine, 04336

Item 8: Signature of Authorized Organizational Representative (AOR)

Philip Gagnon
