

Directions to NETL

The DOE-NETL R&D Plateau Gate shares an entrance with the Bruceton Research Center.

Bruceton Research Center entrance:

626 Cochrans Mill Rd
Pittsburgh, PA 15236

GPS coordinates: 40.305078, -79.974987

From the Pittsburgh International Airport to NETL: Take Parkway West to exit 5B, this exit is to the right immediately before the Fort Pitt tunnel. Do not enter the tunnel. Proceed 7.5 miles on US-51S. Exit to the right immediately past the CVS Pharmacy (Cloverleaf Exit) and merge onto Curry Hollow Road. Proceed 1.5 miles through 7 lights on Curry Hollow Road. Move into the left lane after the 5th light. At three-way intersection with Brownsville Road, turn left onto Brownsville Road (follow signs pointing to "Bruceton Research Center"). Stay in left lane. Brownsville Road becomes Cochrans Mill Road after the first stop sign. Continue on Cochrans Mill Road for about 3 miles. On the right, you will see a large blue and white sign reading 'Bruceton Research Center.' Turn right at the sign and continue to the security gate. Once through the first security gate, the entrance to the R&D Plateau will be straight and then on the right.

From Points South to NETL: Start out on PA-51N. Continue to follow PA-51N until you come to the ramp for South Park/Bethel Park. Merge onto Curry Hollow Road. Follow Curry Hollow Road to a three-way intersection with Brownsville Road, turn left onto Brownsville Road. Brownsville Road becomes Cochrans Mill Road after the first stop sign. Continue on Cochrans Mill Road for about 3 miles. On the right, you will see a large blue and white sign reading 'Bruceton Research Center.' Turn right at the sign and continue to the security gate. Once through the first security gate, the entrance to the R&D Plateau will be straight and then on the right.

From Points North to NETL: Start out on 79S. Merge onto I-279 via exit 72 on left toward Pittsburgh. Merge onto I-579S via exit 8A toward Veterans Bridge. Make a slight right onto Crosstown Blvd. Stay straight to go onto Liberty Bridge. Go through Liberty Tunnels. Exit onto PA-51S toward Uniontown. Proceed 7.5 miles on US-51S. Exit to the right immediately past the CVS Pharmacy (Cloverleaf Exit) and merge onto Curry Hollow Road. Proceed 1.5 miles through 7 lights on Curry Hollow Road. Move into the left lane after the 5th light. At three-way intersection with Brownsville Road, turn left onto Brownsville Road (follow sign pointing to "Bruceton Research Center"). Stay in the left lane. Brownsville Road becomes Cochrans Mill Road after the first stop sign. Continue on Cochrans Mill Road for about 3 miles. On the right, you will see a large blue and white sign reading 'Bruceton Research Center.' Turn right at the sign and continue to the security gate. Once through the first security gate, the entrance to the R&D Plateau will be straight and then on the right.
