United Association (UA) Pipeline and Gas Distribution Department

What the UA Has To Offer

- Highly Skilled Craftworkers.
- Training and Apprenticeship Utilization.
- Diversity and Inclusion.
- Industry Leading Safety Standards.

Training and Apprentice Utilization

- Pipe Welders, Pipefitters, Plumbers, Fire Sprinkler Fitters, and HVAC Technicians.
- 5-Year Apprenticeship Program “Earn While you Learn”
- \$280 Million Spent Annually on Apprenticeship Training.

Diversity & Inclusion

A group of diverse people, including men and women of various ethnicities, are shown from the chest up, leaning in and stacking their hands in a circle. The hands are of different skin tones, from light to dark, and are positioned in a way that suggests a strong sense of unity and teamwork. The background is a soft, out-of-focus green, likely an outdoor setting.
