## for the Advanced Transformer Workshop

NETL MAIN CONFERENCE ROOM B26-G51A  
3610 COLLINS FERRY ROAD  
MORGANTOWN, WV

Mark your calendars to join us for the Department of Energy (DOE), Office of Electricity (OE)'s [Advanced Transformer Workshop](#) **May 23-24, 2023**, from 8:00 am – 5 pm EST at the National Energy Technology Laboratory (NETL) in Morgantown, WV. As you may be aware, OE is actively engaged with industry stakeholders as we work together on the analysis and actions necessary to ensure America has a resilient, reliable, and secure electricity grid.

The proposed workshop will bring together a diverse set of stakeholders to discuss research, development, and demonstration (RD&D) opportunities for advanced distribution and power transformers.

We hope that you will be able to join us at this important workshop.
