

U.S. Department of Energy, National Energy Technology Laboratory
3610 Collins Ferry Road
Morgantown, WV 26505

On-site visitation requirements:

Arrival – Parking will be identified by our security team upon entering the site near the meeting area in the Upper/Lower South Lots.

Note: Laptops are only for Department of Energy badged attendees.

If you are a foreign national, to include LPRs, please complete the attached form 142.1-1A and return to Michael Knaggs at Michael.Knaggs@NETL.DOE.GOV or James Ferguson at James.Ferguson@NETL.DOE.GOV

Due to Department of Energy requirements, all foreign nationals, must submit an updated Curriculum Vitae (CV) listing all work positions, science and technology specialties and detailing education and employment history, with no gaps, showing the month/year for each item.

The CV and 142.1.1A form are to be submitted to the person/s indicated above; Michael Knaggs or James Ferguson. For foreign national questions, contact Holly Biddle at 412-386-5704.

Forms and CVs must be submitted by Sunday, June 30, 2024, to allow for processing.
