2025 PRIMO Office Hours

Dear MERP fund recipient,

PRIMO software – the decision support tool developed by NETL for prioritizing marginal wells – has been released, and we are excited to help you with how to use PRIMO. We have set up PRIMO office hours in order to provide live support. It is scheduled for every two weeks, but you can send us your questions to PRIMO@netl.doe.gov any time.

Please note that this office hour is for those participating 14 states only. You need to register for the meeting invitation via the following link:

<https://netl.doe.gov/form/primo-office-hours-registration>

No	Date	Time (Eastern Time Zone)	TOPICS
1	Feb 12th (Wed)	2-3pm	User Support
2	February 26th (Wed)	2-3pm	User Support
3	March 12th (Wed)	3-4pm	User Support
4	March 26th (Wed)	2-3pm	User Support
