

Directions to NETL Pittsburgh Site from the Pittsburgh International Airport

1. Exit airport and head **SOUTH** toward **AIRPORT BLVD.**
2. Continue straight onto **AIRPORT BLVD.**
3. Keep **LEFT** at fork in road – (about 2 minutes).
4. Merge onto **I-376 E** via the ramp to **I-79 E-PITTSBURGH/PENNSYLVANIA TURNPIKE E** (about 19 minutes).
5. Take exit **69B** to merge onto **PA-51 S/US-19 Truck S/SAW MILL RUN BLVD** – continue to follow **PA-51S** about 9 minutes --- **NOTE: This exit is on the FAR RIGHT just BEFORE the FORT PITT TUNNEL – do not go into the tunnel.**
6. After passing **CVS** take the very first road to your **RIGHT**. This is a **CLOVERLEAF EXIT**. (before the exit you will pass under an old railroad trestle. The exit is a few feet beyond – you will see a green highway sign with an arrow pointing right indicating “South Park”.)
If you have gone over the overpass, you have gone too far. You will need to turn around.
7. Upon exiting the Cloverleaf, you will be on **CURRY HOLLOW RD.**
8. At the 5th traffic light (Jefferson Memorial Cemetery on left) get into the **LEFT-HAND LANE.**
9. At the 7th traffic light you will be at a 3-way intersection.
10. Proceed in the **LEFT-HAND LANE** onto **BROWNSVILLE RD.** toward “Bruceton Research Center”.
11. **BROWNSVILLE RD.** becomes **COCHRANS MILL RD.** after the 1st stop sign.
12. Drive 2.0 miles, **DOE/NETL (Pittsburgh Office)** is on **RIGHT**. Also “Bruceton Research Center”.
13. Turn **RIGHT** into Bruceton Research Center.

MAIN ENTRANCE, NIOSH, or the R&D PLATEAU – stop at guard house to get directions.

Buildings 920, 921, and 922 – Do not enter at the Bruceton Research Center. Continue on Cochran’s Mill Road to the next Stop Sign and TURN RIGHT onto Wallace Road. Cross railroad tracks and proceed up hill. Entrance to these buildings will be on your left.
